He will share his experiences and photographs from the trip.

## May Display

The weather was excellent and the turnout was also good. There were thirty four aircraft and fourteen cars.

I would like to thank Rick Van Arsdale for his help parking aircraft in the absence of Bill Kotsy. I am sorry to report that Bill hurt his back about six months ago and has not been able to be with us since then. He has been helping with the parking since we started it fourteen years ago.

We wish him a speedy and complete recovery. The next display will be on June 17th.
