June 2019 Edition

***Join Us For a Presentation from
Rob Reddeg
titled
Building a Relationship with
Air Traffic / SOCAL Approach
on***

Thursday, June 6th

Our Meeting will Start at 7:00pm

Robert Reddeg, SOCAL TRACON NATCA Safety and Procedures Lead and SCT NATCA Coast Area Representative will speak about the goal of continuing to build a relationship with their partners on the other side. This effort is to make sure that everyone has the most up-to-date information from the ATC side of things in Southern California.

Coffee will be provided during the meeting

Fullerton Airport Day (KFUL)

June 22nd, 2019

"Airport Day" is an annual event when the Fullerton Municipal Airport opens its doors to the public, allowing the community to tour the Airport and see first-hand the important role it plays in providing service not only to Fullerton, but to all of Orange County. The Orange County Fire Authority, the Anaheim Police Department, the California Highway Patrol and other public agencies are just some of the participants. Other organizations such as airport businesses, the Fullerton Airport Pilots Association, the Civil Air Patrol, and Fullerton's own Police and Fire departments also participate. Hours are 10:00am to 4:00pm and admission is FREE.
