

Tailwinds

September 2019 Edition

**Join Us For a Presentation from
Gabe Benjamin
titled
Pilot/Controller Forum
Open Discussion for Pilots and Controllers
on
Thursday, September 5th
Our Meeting will Start at 7:00pm**

Air traffic controllers provide a special service to make VFR/IFR flights safer. Now you have an opportunity to meet these controllers and put a face with the voice. In this discussion, pilots will interace with local controllers working in various ATC roles, discuss the various services available to pilots and how proper phraseology, rules, procedures, and professionalism impacts General Aviation operations at Brackett Airport.

Coffee will be provided during the meeting

US AIRCRAFT EXPO

**John Wayne Airport (KSNA)
September 20-21, 2019
at Lyon Air Museum**

The world's leading aircraft manufacturers and dealers are working together to sponsor the US Aircraft Expo where the latest models of general aviation aircraft will be on display at one venue. Nine separate events will be scheduled to take place in 2019 where prospective buyers can see the newest aircraft from Beechcraft, Cessna, Cirrus, Cub Crafters, Embraer, Epic, Honda Jet, Husky, Mooney, Piper, Pilatus, Quest, TBM, Waco, Glasair and more. These free events also incorporate the ownership services you may need in acquiring your aircraft with representatives from AirFleet Capital, Aviation Tax Consultants and Wings Aviation Insurance.

Each venue will also have an ownership seminar that will focus on the many questions that arise during the acquisition and ownership of an aircraft as related to insurance, financing and tax implications.

**See the latest
GA Aircraft!**

Membership Dues are now being collected for 2019. Annual dues are \$30.00. Help keep the membership at Brackett strong, join or renew today!
